BEAUTIFUL INSIDE & OUT

Duetto è una collezione di mobili per bagno che si distingue per il design moderno e l'uso di materiali innovativi. Particolare attenzione è stata dedicata allo sviluppo degli interni: dopo una ricerca, presentiamo un cassetto sotto-lavabo senza il tipico foro invasivo per il passaggio dello scarico.

Allo scopo, forniamo un sifone "salva spazio" studiato ad hoc. Inoltre, Duetto, viene fornito compreso di lavabo e divisori nei cassetti.

Duetto is a collection of bathroom furniture that features modern designs and innovative materials.

Special attention had been dedicated to the interior of the units. Our research has lead us to introduce a top drawer without the typical cut-out for the waste.

For this reason, we also include a space saver trap. Moreover, Duetto is supplied with washbasin and drawer dividers.

Duetto ist eine Badmöbelkollektion, die sich durch ein modernes Design und durch die Verwertung innovativer Materialien auszeichnet.

Besonderes Augenmerk wurde der Entwicklung des Innenraums gewidmet: die obere Schublade unter dem Waschbecken hat keinen Siphonausschnitt im Boden. Dafür wird ein speziell dafür entwickelter Raumspar-siphon mitgeliefert. Auch der Waschtisch und elegante aus Holz gefertigte Schubkasteneinsätze gehören serienmäßig zur Ausstattung.

Duetto est une collection de meubles de salle de bain qui se distingue par son design moderne et l'utilisation de matériaux innovants.

Une attention particulière a été consacrée au développement de l'intérieur: Après étude, nous présentons un tiroir sous-bassin sans découpe pour passage siphon. Nous fournissons d'ailleurs un siphon gain de place conçu spécifiquement.

De plus, Duetto, est fourni avec lavabo ainsi que des séparateurs de tiroir intérieurs en bois.
